How to Activate Intrusion Alarm - User Guide

MEMO

HOW TO ACTIVATE INTRUSION ALARM
Quick and Easy. Step-by-Step.

ATTENTION:
• This is a paid feature, valid for 1 month per controller.
• There is a 3 month trial period available to test out all security features
• You can purchase the feature on our website by clicking Purchase Feature.
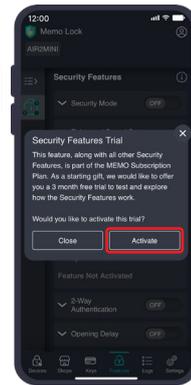

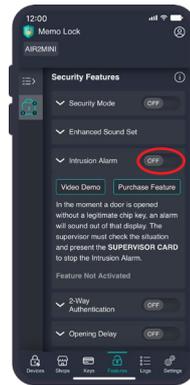

Video Tutorial

IMPORTANT:
• The Intrusion Alarm is triggered automatically whenever a door is opened in an unauthorized manner.
• To stop the alarm, the Supervisor Card is required.

Open the app.

In the bottom menu, select "🔓 Features".

On the displayed screen, locate the Security Features list.
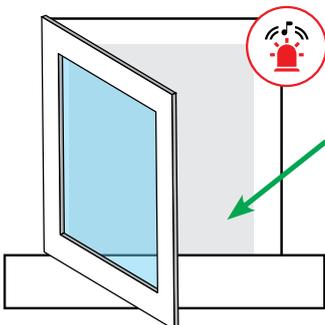

Enable the "Intrusion Alarm" option.

If not purchased, a pop-up will be shown to start the 3-month free trial period.
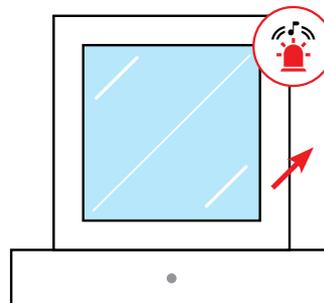

Once activated, the feature will be enabled, and you can see the time remaining for the feature at the bottom.

A confirmation message will appear automatically:
"Changes Saved Successfully!"

If a showcase door is opened without a valid Access Key, the Intrusion Alarm will be triggered.
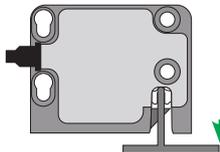

Closing the door will **NOT** stop the alarm.
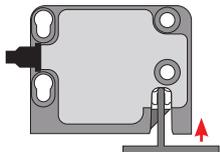

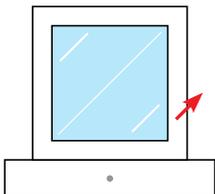

To stop the alarm, present the **SUPERVISOR CARD** at the reader.

CORRECT DOOR CLOSING. Perform a push and pull test on the door to ensure i'ts full locked.

PUSH TO CLOSE

1. **PUSH INSIDE to CLOSE**

PULL TO OPEN

2. **PULL OUTSIDE to CHECK**

PUSH TO CLOSE

3. **PUSH INSIDE to REMOVE TENSION**

Perform this PUSH-PULL-PUSH closing EVERY time you close a door and drawer!
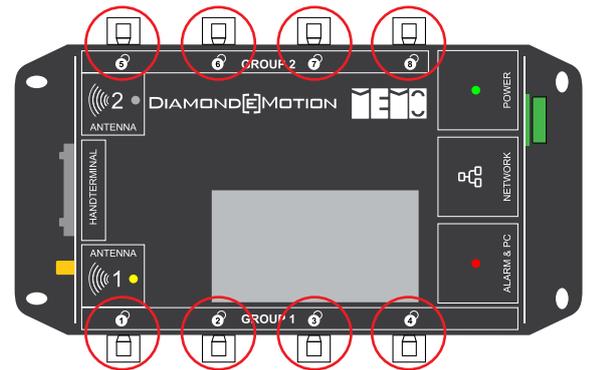

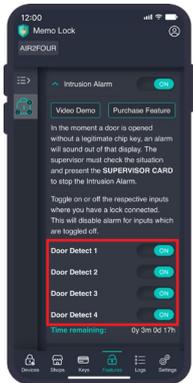

ATTENTION:

For controllers with multiple lock connections, such as **AIR2FOUR** and **DEM EVO3**, when enabling Intrusion Alarm, a number of switch toggles will be shown for each lock connection available on the controller.
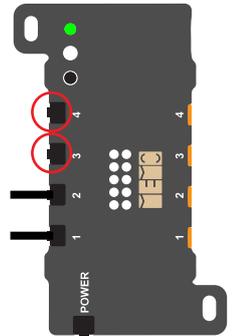

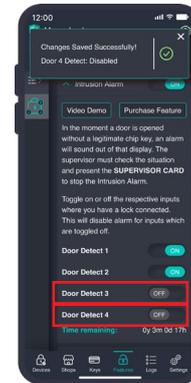

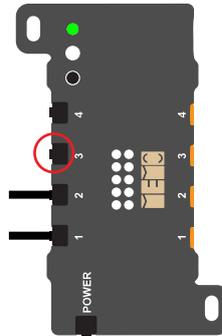

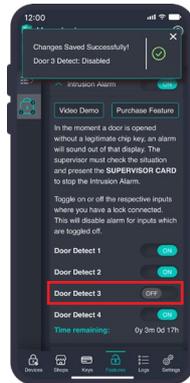

AIR2FOUR

DEM EVO3

By default, all lock connections are enabled,

If no lock is connected, disable the respective "Door Detect" to stop false alarms.

CONCLUSION

By following this guide, you will be able to **SET UP** your system consisting of **MEMO AIR2-LINE** and **DEM EVO3** devices using **MEMO LOCK APP.** For additional support, contact the MEMO team via the official website or the technical support information provided in the product materials.

Thank you for choosing the most versatile and powerful security system.
