How to Use Validation Mode - User Guide

HOW TO USE VALIDATION MODE

Quick and Easy Step-by-Step

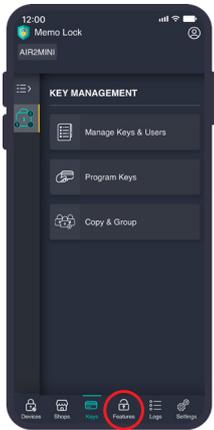

Video Tutorial

ATTENTION: Before starting the workday, all required keys and cards must be validated at the Validation Unit.

Validated Keys and Cards remain active for only one work shift. After that, they automatically become inactive and must be validated again for the next shift. **ACCESS KEYS, DECORATION CARD and 2-WAY AUTHENTICATION CARD** can be validated.

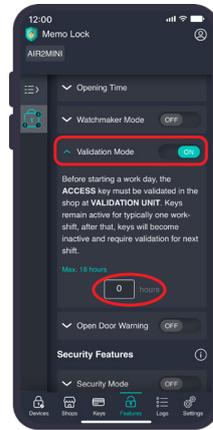

Maximum validation time for keys and Cards is **18 HOURS**.

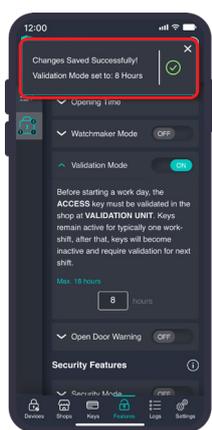

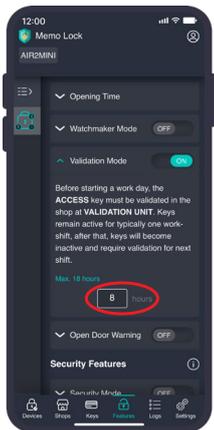

Open the app.
In the bottom menu, select "Features".

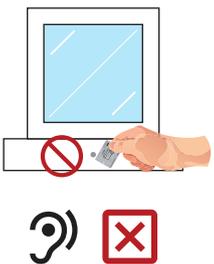

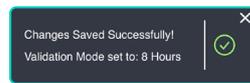

On the displayed screen, locate the Opening Modes list.

Enable "Validation Mode" feature.
The default value is 0 hours.
Maximum validation time for keys and Cards is 18 hours.

In this case it will be set to 8 hours.
A confirmation message will appear automatically:

If an unvalidated key is presented at a showcase, it will not work.

Reject Sound

To validate it, go to the Validation Unit, located in a secure area.
The Validation Unit must be installed in a restricted room, for employees only, away from customer access.
Make sure there are no interferences with the system.

Hold the Access Key against the back of the phone, inside the highlighted area.

sound signal, phone vibration

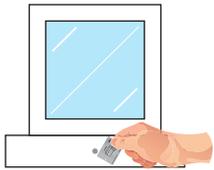

Table

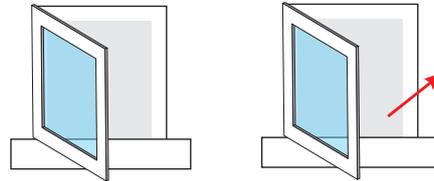

Date	Check-in Time	Card Type	Card Number
11/03/2025	07:14:23	Access Key	2990325277

When validated, the key will be shown in the table, after which the key can be used to open showcases.

Remember: keys only work if they are properly validated in the system.

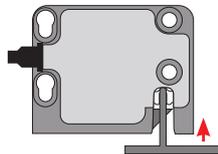

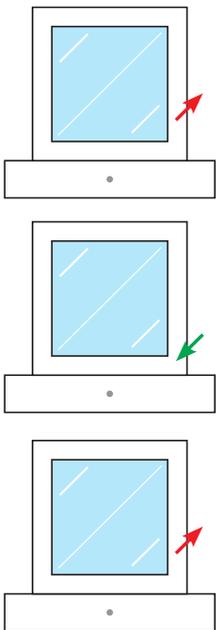

Go to the showcase and present the validated key to unlock it and open the door.

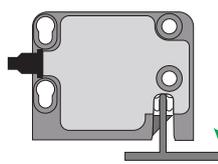

After use, close the showcase.

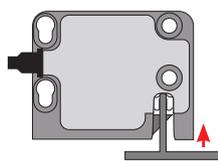

CORRECT DOOR CLOSING. Perform a push and pull test on the door to ensure it's full locked.

1. PUSH INSIDE to CLOSE

2. PULL OUTSIDE to CHECK

3. PUSH INSIDE to REMOVE TENSION

Perform this PUSH-PULL-PUSH closing EVERY time you close a door and drawer!

CONCLUSION

By following this guide, you will be able to **SET UP** your system consisting of **MEMO AIR2-LINE** and **DEM EVO3** devices using **MEMO LOCK APP**. For additional support, contact the MEMO team via the official website or the technical support information provided in the product materials.

Thank you for choosing the most versatile and powerful security system.
